## CHURCH PROJECTS

Saint Mark's Mission Center is our new building where we do charity and our mission is to help others out. This would benefit many people in the perceivable future.

After years of pouring his heart into Scouts and affecting many people's lives, Mina Hanna moved on to greater adventures!

SAINT  
MARK

# SAINT APPRECIATION

Although Saint Mark is the patron saint of our church, many of us may be unbeknownst to who he actually was and how he contributed to the Coptic Orthodox faith. Saint Mark was born of Jewish parents, three years after the birth of our Lord Jesus Christ. His parents were both deeply religious, and had developed a strong relationship with Jesus. Saint Mark grew up and continued to preach all over the world, converting people wherever he went. While preaching, Mark was seized by a mob and thrown into prison; both an angel and God Himself had appeared to Mark while he was in

prison. That following morning, Saint Mark was tied to the tail of a horse and was dragged until his body was torn in pieces and he had departed from the world. His relics remain in Venice. May his prayers be with us all. Amen
